The type(s) of service made on the parties (first-class mail, electronic notification, hand delivery, or another type of service) was: First-Class Mail or Electronic Notification.

If more than one method of service was employed, this certificate of service groups the parties by the type of service. For example, the names and addresses of parties served by electronic notice will be listed under the heading "Service by Electronic Notification," and those served by mail will be listed under the heading "Service by First-Class Mail."
